Change the World Through Missions

Bring your loose change to the Wednesday and put it in the bucket! Every penny will go in to the missions account!

Troubles—Blessings

- ◆ The brook would lose its song if we removed the rocks
- ◆ The triumph song of life would lose its melody without the minor keys. —Sunshine
- ◆ What sea has no waves? What land has no rain?
- ◆ There is no education like adversity. —Benjamin Disraeli
- ◆ Difficulties strengthen the mind as labor does the body. —Seneca
- ◆ Adversity makes men, and prosperity makes monsters. —Victor Hugo
- ◆ Even a misfortune may prove useful in three years. —Japanese Proverb
- ◆ The important thing about a problem is not its solution, but the strength we gain in finding the solution.
- ◆ I saw a star, I reached for it, I missed. So I accepted the sky.
- ◆ There was never a picture painted, there was never a poem sung, **but the soul of the artist fainted, and the poet's heart was wrung.**
- ◆ The ancients used an interesting little instrument, called the tribulum, to beat grain to divide the chaff from the wheat. The **word "tribulation" comes from this word. Tribulations truly separate the chaff from the wheat in human character.**

Thank God for God

"The roar of the world is in my ears.

Thank God for the roar of the world;

Thank God for the mighty tide of fear

Against me always hurled.

"Thank God for the bitter and ceaseless strife,

And the sting of His chastening rod.

Thank God for the stress and pain of life,

And O, thank God for God!
