Back to 200

For 20 years since our church moved to Eden, we have averaged over 200 each week in attendance, until last year. The average slipped down to 172. There are several explanations for this: About 20 people have moved over to the chapel in Evans, and the drive-in and bus attendances here were slightly down. Let us pray for a fruitful year and **that the church will "fill-in" these holes and get back over 200** each Sunday. We have the Auditorium space and the parking now to grow. We could actually double here!

"We are so hopelessly outclassed by the word's superior strength that for us it means either God's help or sure defeat." - A.W. Tozer

"Don't Touch Me! I'm Dead!"

An older couple is lying in bed one morning. They have just awakened from a good night's sleep. He takes her hand, and she responds, "Don't touch me."

"Why not?" he asks. She answers, "Because I'm dead."

The husband then asks, "What are you talking about? We're both lying here in bed together and talking to one another!"

She says, "No, I'm definitely dead." He insists, "You are not dead. What makes you think you're dead?"

"Because I woke up and nothing hurts."

Attention All Singles!

We're going ice skating on January 23, at 1pm. Bring \$3 for skates, and money for lunch at Tim Hortons after.
