The Erie County Fair is August 11 - 22. Please pray every day for this effort. Pray for the lost! Sign up today for a 3 hour shift. We are honored to have Derl & Martha Brown, Nacho & Babette Enriques, and Jim & Gina Olson working with us this year from Amazing Grace Missions.

214 people made decisions for Christ at the Dunkirk fair this year!

Thank you to everyone who helped with the Eden Corn Fest Parade! Especially to Dan Priore and Jacob Williams for going the extra mile. Thank you to Bridget for letting us borrow her tractors and carriage, to Rick Kohl for the use of his tractor, and to the Friedmans for letting us use their wagons. Thank you to everyone who sang, played an instrument, or passed out tracts. Over 2,500 gospel tracts were given out!

Pastor would like to have a meeting this **Wednesday about next year's float, while everything** is still fresh on our minds. He has some new ideas, but he needs some more ideas, help and organization.

Care Ministry recharge needed. We need to keep the Care Ministry vibrant and alive. It is Christianity 101 to care for others. **Don't let that spirit die in you. See Rick & Kathy Vespa or Pastor Kohl today to get back into this ministry. Let's keep it healthy and strong.**

11 of our church members left yesterday for a two week missions trip to Arequipa, Peru. Please pray for them: Pastor Seth & Renae Garland, Frank Broughton, John & Zach Uptegrove, Shayne Aldridge, Kayleigh & Kyle O'Mara, Jenny Spiller, Sean Dye and Andrew Welch.

Happy Birthday!

## How Long Do We Have?

About the time out original thirteen states adopted their new constitution in 1787, Alexander Tyler, a Scottish history professor at the University of Edinburgh, had this to say about the fall of the Athenian Republic some 2,000 years earlier:

**“A democracy is always temporary in nature; it simply cannot exist as a permanent form of government.**

A democracy will continue to exist up until the time that voters discover they can vote themselves generous gifts from the public treasury.

From that moment on, the majority always vote for the candidates who promise the most benefits from the public treasury, with the result that every democracy will finally collapse due to loose fiscal policy, which is always followed by a dictatorship.

**The average age of the world’s greatest civilizations from the beginning of history, has been about 200 years.**

During those 200 years, those nations always progressed through the following sequence:

1. From Bondage to Spiritual Faith
2. From Spiritual Faith to Great Courage
3. From Courage to Liberty
4. From Liberty to Abundance
5. From Abundance to Complacency
6. From Complacency to Apathy
7. From Apathy to Dependence
8. From Dependence back into Bondage
