Amazing Science in the King James Bible

- 5. Creation is made of unseen particles.**
Creation is made of particles, indiscernible to our eyes (Hebrews 11:3). Not until the 19th century was it discovered that all visible matter consists of invisible elements.
- 6. Mountains in the sea.**
There are mountains on the bottom of the ocean floor (Jonah 2:5-6). Only in the last century have we discovered that there are towering mountains and deep trenches in the depths of the sea. Some of the trenches are 37,000 feet deep. Deeper than Mt. Everest is high.

Psalm 19:7-11

The law of the LORD is perfect, converting the soul: the testimony of the LORD is sure, making wise the simple. The statutes of the LORD are right, rejoicing the heart: the commandment of the LORD is pure, enlightening the eyes. The fear of the LORD is clean, enduring for ever: the judgments of the LORD are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb.

Moreover by them is thy servant warned: and in keeping of them there is great reward.

Victory Verses: Drunkenness

Galatians 5:21

“Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.”

1 Corinthians 5:11

“But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat.”

Jesus quoted Scripture when the devil tempted Him to sin. He used the Sword of the Spirit, which is the Word of God. We should too!
(Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the Christian Gentleman's Handbook

A Christian gentleman realizes that he does not have to shout when speaking to those who are deaf or blind.

The Christian gentleman will neither burden others with tales of financial woes nor will he brag to them about financial successes.
