Amazing Science in the King James Bible

7. Sanitation

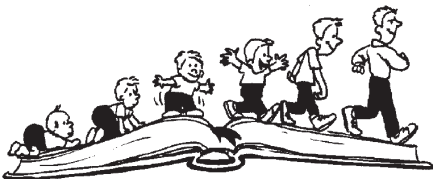

Deuteronomy 23:12-14

Some 3,500 years ago, God commanded His people to have a place outside the camp where they could relieve themselves. They were each to carry a shovel so that they could dig a hole (latrine) and cover their waste. Up until World War I, more soldiers died from disease than war because they did not isolate human waste.

6. Life is in the Blood

Leviticus 17:11,14

Up until 120 years ago, sick people were “bled” and many died as a result. (e.g. George Washington). Today we know that healthy blood is necessary to bring life-giving nutrients to every cell in the body. God declared that “the life of the flesh is in the blood” long before science understood its function. Leviticus was written in 1491 BC.

Victory Verses: Robbery (extortion)

Leviticus 19:13

*“Thou shalt not defraud thy neighbour, **neither rob him**: the wages of him that is hired shall not abide with thee all night until the morning.*

1 Corinthians 5:11

*“But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an **extortioner**; with such an one no not to eat.”*

Jesus quoted Scripture when the devil tempted Him to sin. He used the Sword of the Spirit, which is the Word of God. We should too!
(Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the *Christian Gentleman's Handbook*

A Christian gentleman is remiss if he fails to keep his clothing clean and fresh. Clothing can acquire an unpleasant odor over time that can go unnoticed by the wearer.

A gentleman keeps his hair combed and in place.
