I Dreamed of Heaven

I dreamed death came the other night, and heaven's gates swung wide.
With kindly grace an angel ushered me inside.

And there, to my astonishment, stood folks I'd known on earth.
Some I'd judged and labeled unfit or of little worth.

Indignant words rose to my lips, but never were set free;
For every face showed stunned surprise... no one expected me!

- CR Hembree

Amazing Science in the King James Bible

9. **Emotions & Origin (Acts 14:17)**

Evolution cannot explain emotions. Matter and energy do not feel. Scripture explains that God places gladness in our hearts (Psalm 4:7), and ultimate joy is found only in our Creator's presence - "in thy presence is fullness of joy" (Psalm 16:11)

10. **Reproduction After Kinds**

The Bible states that God created life according to *kinds* (Genesis 1:24). The fact that God distinguishes *kinds* agrees with what scientists observe - namely that there are horizontal genetic boundaries beyond which life cannot vary. Life produces after its own kind. Dogs produce dogs, cats produce cats, roses produce roses. Never have we witnessed one kind changing into another kind as evolution supposes. There are truly natural limits to biological change.

Proverbs 11:30

"The fruit of the righteous is a tree of life; and he that winneth souls is wise."

Be wise - win souls!

Victory Verses: Unfaithfulness

Proverbs 28:20
"A faithful man shall abound with blessings: but he that maketh haste to be rich shall not be innocent."

1 Corinthians 4:2
Moreover it is required in stewards, that a man be found faithful.

Jesus quoted Scripture when the devil tempted Him to sin. He used the Sword of the Spirit, which is the Word of God. We should too!
(Matthew 4:1-11; Ephesians 6:17)

A gentleman keeps his fingernails clean and trimmed.

A gentleman remembers to remove evidence of sleep from the corners of his eyes.
