## Amazing Science in the King James Bible

15. Consanguinity forbidden – Leviticus 18:6-19 (written in 1490 B.C.!) forbids sexual relationships and marriages to those close in relationship to them.

Genetic defects in those close in relationship often produce dysfunctional or disabled children. This was not discovered or **practiced until the 1900's**.

Even Charles Darwin (whose only degree was in Theology!) married his 1<sup>st</sup> cousin and had several dysfunctional children.

16. First Law of Thermodynamics –

The First Law states that the total quantity of energy and matter in the universe is a constant.

One form of energy or matter may be converted into another, but the total quantity always remains the same.

Therefore the creation is *finished*, exactly as God said way back in Genesis 2:1-2.

## An Excerpt from the Christian Gentleman's Handbook

A gentleman does his best to keep his hair clean and free of dandruff.

The Christian gentleman does not belch or release flatulence in the presence of others. If an uncontrollable urge is present, a gentleman will simply excuse himself and leave the room.

## Victory Verses: Hatred

*"Hatred stirreth up strifes: but love covereth all sins."*  
Proverbs 10:12

*"He that hideth hatred with lying lips, and he that uttereth a slander, is a fool."*  
Proverbs 10:18

### What is your "besetting sin"?

Do you have any verses memorized to help overcome it? Jesus quoted Scripture when He faced temptation. We should too! (Matthew 4:1-11; Ephesians 6:17)

## Three Verses Every Father Should Memorize

1. Psalms 103:13 - Like as a father pitieth his children, so the Lord pitieth them that fear him.
2. Proverbs 3:12 - For whom the LORD loveth he correcteth; even as a father the son in whom he delighteth.
3. 1 Thessalonians 2:11 - As ye know how we exhorted and comforted and charged every one of you, as a father doth his children,
