AMAZING SCIENCE IN THE KING JAMES BIBLE

23. **Ocean Currents** (*Ecclesiastes 1:7*)
Three thousand years ago the Bible described the "paths of the seas." In the 19th century, Matthew Maury - the father of oceanography - after reading Psalm 8, researched and discovered ocean currents that follow specific paths through the seas! Utilizing Maury's data, marine navigators have since reduced by many days the time required to traverse the seas.
24. **Sexual Sin and Disease** (*Romans 1:27, 1 Corinthians 3:17; 1 Corinthians 3:17, Galatians 6:8*) The Bible warns that "he that committeth fornication sinneth against his own body" and that those who commit homosexual sin would "receive in themselves" the penalty of their error. Much data now confirms that any sexual relationship outside of holy matrimony is unsafe. Of the 64 million cases of AIDS disease since 1981, 70% have been gay men.

An Excerpt from the

CHRISTIAN GENTLEMAN'S HANDBOOK

A gentleman never drinks milk directly from the container.

A gentleman does not lean back in his chair or pick his teeth at the table.

To leave the table for any reason, a simple "excuse me" is enough. No further explanations are needed.

VICTORY VERSES (MEN) MARRIAGE PROBLEMS

"Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and As being heirs together of the grace of life; that your prayers be not hindered." 1 Peter 3:7

"Husbands, love your wives, even as Christ also loved the church, and gave himself for it; Ephesians 5:25

What is your "besetting sin"?

Do you have any verses memorized to help overcome it?

Jesus quoted Scripture when He faced temptation. We should too! (Matthew 4:1-11; Ephesians 6:17)

The Israelites refused to follow God's plan for taking the Promised Land. The consequence of such disobedience led to forty years of purposeless wandering in the wilderness. The tragedy of this sin may be seen when calculating the frequency of funerals conducted by God's chosen but disobedient people. There was one funeral every twenty minutes, twenty-four hours a day, for forty years! Disobedience is costly!
