Amazing Science in the King James Bible

33. Life Begins at Fertilization

(Jeremiah 1:5)

God declares that He knew us before we were born. The biblical penalty to murdering an unborn child was death (Exodus 21:22-23). Today, it is an irrefutable biological fact that the fertilized egg is truly an entire human being. Nothing will be added to the first cell except nutrition and oxygen.

32. God Fashions Us in the Womb

(Psalm 119:13-16)

Science was ignorant concerning embryonic development until recently. Yet 30 centuries ago, the Bible accurately described God as the one who did "fashion us in the womb."

An Excerpt from the

Christian Gentleman's Handbook

A gentleman does not use his cell phone at the dinner table.

If a gentleman receives a phone call while at the dinner table, he politely asks if he may return the call at a later time.

Victory Verses: Wine

*"Wine is a
mocker, strong drink
is raging; and whosoever
is deceived thereby is not
wise. Proverbs 20:1*

Genesis 9:21

*"And he drank of the wine,
and was drunken; and he
was uncovered within
his tent.*

What is your "besetting sin"?

Do you have any verses memorized to help overcome it?

Jesus quoted Scripture when He faced temptation. We should too! (Matthew 4:1-11; Ephesians 6:17)
