Lead me to some soul today, o teach me, Lord just what to say!
Friends of mine are lost in sin and cannot find their way.
Few there are who seem to care, and few there are who pray;
Melt my heart and fill my life, give me one soul today.
Will H Houghton

*Amazing Science
in the King
James Bible*

39. **Black Holes & Dark Matter Anticipated** (*Matthew 25:30, Jude 1:13, Isaiah 50:3*)
Cosmologists now speculate that over 98% of the know universe is comprised of dark matter, with dark energy and black holes. A black hole's gravitational field is so strong that nothing, not even light, escapes. Beyond the expanding universe there is no measured radiation and therefore only outer darkness exists. There theories paint a seemingly accurate description of what the Bible calls "outer darkness" or "the blackness of darkness forever"
40. **Second Law of Thermodynamics** (*Psalms 102:25-26*)
This law states that everything in the universe is running down, deteriorating, constantly becoming less and less orderly. Entropy (disorder) entered when mankind rebelled against God - resulting in the curse (Genesis 3:17, Romans 8:20-22). Historically most people believed the universe was unchangeable. Yet modern science verifies that the universe "wax old as doth a garment;" (Hebrews 1:11). Evolution directly contradicts this law.

What is your "besetting sin"?
Do you have any verses
memorized to help overcome it?
Jesus quoted Scripture when He
faced temptation. We should too!
