Faith Promise Missions Giving

Cards for commitments will be placed around the church up until Thanksgiving for your considerations and prayer. Please place filled out card in the offering basket during any offering. Keep the left side of the card for your reminder. Watch the trail on the wall by the baptistery. Our goal is to collect at least 85 cards to "bring for on their journey" God's missionaries.

Amazing Science in the King James Bible

47. Sun Goes in A Circuit

(Psalm 19:4-6)

Some scientists scoffed at these verses thinking that it taught egocentricity - the theory that the sun revolves around the earth. They insisted the sun was stationary. However, we now know that the sun is traveling through space at approximately 600,000 miles per hour. It is literally moving through space in a huge circuit - just as the Bible stated 3,000 years ago!

48. God Has Measured Out the Right Amount of Water

(Isaiah 40:12)

We now recognize that if there were significantly more or less water, the earth would not support life as we know it.

An Excerpt from the

Christian Gentleman's Handbook

A gentleman does not refuse to shake a hand that is extended to him.

A man gives a man a firm yet painless handshake with one or two modest pumps, letting go when finished.

Victory Verses: Clamour (Being Loud & Noisy)

*"He that
blesseth his friend
with a loud voice, rising
early in the morning, it shall be
counted a curse to him.*

Proverbs 27:14

Ephesians 4:31 *"Let all
bitterness, and wrath, and anger,
and clamour, and evil speaking,
be put away from you,
with all malice:"*

What is your "besetting sin"?

Do you have any verses memorized to help overcome it?

Jesus quoted Scripture when He faced temptation. We should too!
(Matthew 4:1-11; Ephesians 6:17)

The Let's "Change"
the World Through
Missions offering will
take place on Wednesday,
November 23 after the
Thanksgiving
dinner. Start
saving your loose
change now!
