## Amazing Science in the King James Bible

Fact #69

### The Seed of a Plant Contains Its Life (Genesis 1:11,29)

As stated in the Book of Genesis, we now recognize that inside the humble seed is life itself. Within the seed is a tiny factory of amazing complexity. No scientist can build a synthetic seed, and no seed is simple!

Fact #70

### A Seed Must Die to Produce New Life (1 Corinthians 15:36-38)

Jesus said, "Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit." John 12:24. In this verse is remarkable confirmation of two of the fundamental concepts in biology: 1, Cells arise only from existing cells. 2, a grain must die to produce more grain. The fallen seed is surrounded by supporting cells from the old body. These supporting cells "give their lives" to provide nourishment to the inner kernel. Once planted, this inner kernel germinates resulting in much grain.

### An Excerpt from the Christian Gentleman's Handbook

A gentleman always turns his cell phone or pager off before entering the church.

If a gentleman must leave his cell phone or pager on while in a service, he is careful to place it in silent mode.

A gentleman does not distract others by leaving in the middle of a
