Amazing Science in the King James Bible

Fact #73

Heaven and the Highest Heavens (Deuteronomy 10:14)

Long before the Hubble Space Telescope, scripture spoke of the "heaven of heavens" and the "third heaven" (1 Kings 8:27; 2 Corinthians 12:2). We now know that the heavens consist of our immediate atmosphere and the vast reaches of outer space, as well as God's wonderful abode.

Fact #74

Olive Oil & Wine Useful on Wounds (Luke 10:34)

Jesus told of a Samaritan man, who when he came upon a wounded traveler, he bandaged him - pouring upon his wounds olive oil and wine. Today we know that wine contains ethyl alcohol and traces of methyl alcohol. Both are good disinfectants. Olive oil is also a good disinfectant, as well as a skin moisturizer, protector, and soothing lotion. This is common knowledge to us today. However, during the Middle Ages and right up till the early 20th century, millions died because they did not know to treat and protect open wounds.

An Excerpt from the Christian Gentleman's Handbook

A gentleman wears his best to church, realizing that he is going to worship the Lord.

If a man is arriving at a service immediately after work, his informal attire is acceptable and understandable.

February 2011 Memory Verse

Acts 2:42

"And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers.
