*Field Trip to Cattaraugus*

**Saturday, May 5**

After Men's Breakfast (9am) and devotions, we will leave the church at 10:15am to look at a closed church building located at 23 Gail Rd, Cattaraugus NY. Take 62 south to Dayton, NY and turn left on Rt 353. Follow through the village of Cattaraugus till you pass the Dollar General on the left. Go three more blocks and turn left on Gail Rd.

They are asking \$74,000 for this small church and property, but are flexible and will hold the note. They are willing to work with anyone. We don't have any money, just a big God and a vision to start churches. Each church has to start somehow!

## *A Thot for Parents:*

In the end, passive (*inactive, offering no resistance*) parents are rarely loved.

---

## *You may go to Heaven . . .*

Without health, without wealth; without fame, without a great name;  
Without learning, without earnings; without culture, without beauty;  
Without friends, without ten thousand other things . . .  
... **But you can't go to heaven without CHRIST.**

*"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." Acts 4:12*

---

## *He Lives Within!*

How do I know that Christ is risen? What proof have I to give?  
He touched my life one blessed day, and I began to live.

How do I know He left the tomb that morning long ago?  
I met Him just this morning, and my heart is still aglow.

How do I know the endless life He gained for me that day?  
He life within is proof enough of immortality.

How do I know that Christ still lives, rich blessings to impart?  
He walks with me along the way and lives within my heart!

### *Teachers Tips*

Teachers must remember that their position is a very high one. 1 Corinthians 12:28 says, "And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers..." God is counting on you. Apostles are missionaries, prophets are preachers and pastors. Teachers are those who instruct or assist in educating the body of Christ of all ages.

### *Gentlemen*

by Dr. George Alquist, Jr

A gentleman always offers his seat to a woman or the elderly on public transportation.

A gentleman does not lose his temper at the scene of an automobile accident. He realizes that people are more important than property.
