## *A Mother Who Prayed*

Some have had kings in their lineage,  
 Some to who honor was paid.  
 I was not blessed of my ancestors,  
 But I have a mother who prayed.

I have a mother who prayed for me  
 And plead with the Lord every day.  
 Oh, what a difference it made for me -  
 When mother would kneel and pray.

Some have worldly success  
 And trust in riches they've made -  
 This is my surest asset,  
 I have a mother who prayed.

My mother's prayers cannot save me,  
 Only Jesus can avail;  
 But Mother introduced me to that Someone -  
 The Lord who never could fail.

Oh yes... I have a mother who prayed for me.  
 And plead with the Lord every day.  
 Oh, what a difference it made for me -  
 When mother would kneel and pray.

## *When Mother Prayed*

When Mother prayed! O precious hour  
When God would come in might power!  
O memory sweet! O hallowed place  
Where God did shine in Mother's face.

When Mother prayed, she found sweet rest!  
When Mother prayed, her soul was blest!  
Her heart and mind on Christ were stayed,  
And God was there when Mother prayed.

When Mother prayed! Ah, then I knew  
Within my soul that God was true;  
I could no longer doubt His love,  
But yielded all, born from above.

And though the years may come and go,  
This heart of mine can never know  
A sweeter time than that blest hour  
When Jesus came in saving power.

Though other scenes may be forgot,  
While life shall last, this one cannot;  
When Mother prayed! O peace divine!  
My Mother's God today is mine.

## *A Thot for Parents*

Moms, do you want your daughters to be like you? Most like that is what will happen. Ezekiel 16:44 says, "Behold, every one that useth proverbs shall use this proverb against thee, saying, As is the mother, so is her daughter."

Set a good example. Your daughters are watching you.

## *Teacher Tips*

The ultimate success of a military operation is dependent upon adequate preparation. The ultimate success of an athletic contest is dependent upon adequate preparation. And the ultimate success of a lesson is also dependent upon adequate preparation! Therefore, time and effort are required in lesson preparation and presentation.

- Dr Charles J. Shoemaker

## *Gentlemen*

by Dr. George Alquist, Jr

When a gentleman borrows another's vehicle, he always returns it with more gas in the tank than when he recieved it.

When taking a cab with his boss, a gentleman assumes the front seat next to the driver.
