A Thot for Parents

"We gave up television
because of the wickedness of it
and its effect on our lives and
the kids. I can't stand hearing
God's name being
blasphemed! The kids are a lot
more obedient and listen to
instruction. Reading has been
the main replacement activity.

Teacher Tips

Teaching is more than just
discussing a subject in which the
instructor is an expert. It involved
training the subject to also become
an expert in that subject. We teach
someone how to ride a bike so he
can ride by himself. We teach
someone to correct grammar so he
can speak correctly. We teach
someone how to have devotions so
he can have a personal devotional
walk. We teach someone how to
lead a soul to Christ so he can win
the lost to Christ.

Gentlemen

by Dr. George Alquist, Jr

When a gentleman arrives at a
restaurant without reservations,
he does not make the restaurant
employees and everyone else
around him uncomfortable by
complaining about waiting for a
table.
