CARE PACKAGE FOR THE BARANS: Chris & Elizabeth have requested hymnals. They cost \$12 a piece. If you would like to donate money, designate it on your offering envelope.

Also, check the list in the back of the auditorium for more things we would like to send to the Barans.

Speaking to Captain John D. Imboden on July 24, 1861, General Stonewall Jackson - a man with great faith in God - said the following:

"Captain, my religious belief teaches me to feel as safe in battle as in bed. God has fixed the time for my death. I do not concern myself about that, but to be always ready, no matter when it may overtake me."

He added, after a pause, looking me full in the face: "That is the way all men should live, and then all would be equally brave."

In these last days, may God's people be "bold as a lion" (Proverbs 28:1) carrying the name of Jesus to the ends of the earth.

It must be felt that there is no national security but in the nation's humble, acknowledged dependence on God and His overruling providence."

Franklin Pierce (1804-1869)
