Mary had a little lamb, His fleece was white as snow.

And everywhere that Mary went, the Lamb was sure to go.
He followed her to school each day, t'wasn't even in the rule.
It made the children laugh and play, to have a Lamb at school.

And then the rules all changed one day, illegal it became;
To bring the Lamb of God to school, or even speak His Name.
Every day it got worse and worse, and days turned into years.

Instead of hearing children laugh, there were gunshots, knives and tears.

What must we do to stop the crime,
that's in our schools today?

Let's let the Lamb come back to school,
and teach our kids to pray!

The King James Bible contrasted with the New International Version

The KJB again, clearly declares the deity of Jesus Christ: "*Who, being in the form of God, thought it not robbery TO BE EQUAL WITH GOD.*" Philippians 2:6

The NIV reads, "*Who, being in very nature God, DID NOT CONSIDER EQUALITY WITH GOD something to be grasped.*" The NIV again confuses the reader about the deity of Christ.

Quotes of Note:

"I know men and I tell you that Jesus Christ is no mere man. Between Him and every other person in the world there is no possible term of comparison. Alexander, Caesar, Charlemagne, and I have founded empires. But on what did we rest the creations of our genius? Upon force. Jesus Christ founded His empire upon love; and at this hour millions of men would die for Him."

Napoleon Bonaparte

"To be sure, the personality of Jesus Christ has made such an impact on humanity that even after 2,000 years the impact has not worn off. Each day, there are persons who have a revolutionary experience with Jesus Christ."

Unknown

"As the centuries pass, the evidence is accumulating that, measured by his effect on history, Jesus is the most influential life ever lived on this planet. That influence appears to be mounting."

Kenneth Scott Latourette
