Contenders for our Country

SIGNERS OF THE DECLARATION OF INDEPENDENCE

Signer #36: Charles Carroll (1737-1832)

Maryland. Age at signing: 38

Occupation: Education

Married: Mary (7 children)

Quotes & Notes:

Charles Carroll and Samuel Adams both cited religious freedom as the reason they became involved in the American Revolution.

Carroll was the only Catholic to sign the Declaration, and also was reputed to be the wealthiest man in America at the time. Yet he said in his own biography: "On the mercy of my Redeemer I rely for salvation and on His merits; not the works I have done in obedience to His precepts."

Not only was he the only Catholic to sign, but the only to designate his hometown "of Carrollton."

The question arises, why did Mr. Carroll add the place of his residence? It is said that when he wrote his name, a delegate near him suggested that, as he had a cousin named Charles Carroll in Maryland, the latter might be taken for him, and he (the signer) escape attainder or any punishment that might fall upon the heads of the patriots. Mr. Carroll immediately seized the pen and wrote, "of Carrollton" at the end of his name, exclaiming, "They cannot mistake me now!"

Scientific Facts in the Bible

Three places in the Bible (Isaiah 51:6; Psalm 102:25-26; Hebrews 1:11) indicate that the earth is wearing out. This is what the Second Law of Thermodynamics (the Law of Increasing Entropy) states: in all physical processes, every ordered system over time tends to become less and less available for use. That means the universe will eventually "wear out" to the extent that (theoretically speaking) there will be a "heat death" and therefore no more. The Bible states it in clear, succinct terms.

13th Annual **Marriage Conference** is November 13-14 with Pastor & Mrs. Doug Fisher as the special speakers. Cost is \$270 per couple. Includes a room at the Sheraton, three meals and the conference. First \$100 due by October 30.

Diamonds in the Hospital

A pretty story is told about the Princess Eugenie, sister of the King of Sweden. She sold her diamonds to raise funds in order to complete a hospital in which she was interested. When visiting the completed hospital, the princess exclaimed, "Ah, now I see my diamonds again!"
