"I believe Jesus Christ to be the Son of God. The miracles which He wrought establish, in my mind, His personal authority, and render it proper for me to believe whatever He asserts.

"I believe all His declarations, as well when He declares Himself to be the Son of God, as when He declares any other proposition.

"And I believe that there is no other way of salvation than through the merits of His atonement." -Daniel Webster, written to Pastor T. Worcester
