"Better Start Now!"

A young girl said to her mother just after a white-haired visitor left her home, "If I could be such an old lady as that - beautiful, serene, sweet and lovable - I shouldn't mind growing old."

The discerning and keen-witted mother replied, "Well, if you want to be that kind of an old lady, you'd better begin making her right now. She does not impress me as a work that was done in a hurry. It has taken a long time to make her what she is. If you're going to paint that sort of portrait of yourself to leave the world, you had better be mixing your colors now."

During a house visit, while the woman patient chattered on, the doctor interrupted her and said, "Now Mrs. Smith, put this thermometer beneath your tongue and keep your mouth closed for two minutes." When the doctor finally removed the thermometer, the woman's husband, who had been a interested observer, took the doctor to the side and whispered: "Say, what will you take for that gadget?"

I went out to find a friend,
But could not find one there;
I went out to be a friend,
And friends were everywhere!

The Flesh says - Be sensuous, enjoy yourself
Materialism says - Be satisfied, please yourself
Psychology says - Be confident, fulfil yourself
Pride says - Be superior, promote yourself
Humanism says - Be capable, free yourself
God says - Be wise, humble yourself.
