Veterans Day Quotes:

Courage is almost a contradiction in terms. It means a strong desire to live, taking the form of a readiness to die.

- G.K. Chesterton

The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave.

- Patrick Henry

When a brave man takes a stand, the spines of others are often stiffened.

- Billy Graham

The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the veterans of earlier wars were treated and appreciated by their nation.

- George Washington
