**What is the Book of Malachi about?**

About 100 years had passed since the **return of the Jews to Palestine**. The city of Jerusalem and the second Temple had been built, but **initial enthusiasm had worn off**. Following a period of revival under Nehemiah (Neh. 10:28-39), the people and priests had **backslidden** and become **mechanical** in their observance of the law. Though lax in their worship (1:7) and delinquent in their tithing (3:8), they could not understand why **God was dissatisfied with them**. Malachi rebuked the people for their neglect of the true worship of the Lord and called them to **repentance** (1:6, 3:7).

*We will run a short synopsis of each New Testament book starting 2022*

**Suffering Can Make Us Better**

A dog and a cat got into a spat to see which should have the most room on the mat: and Madame Devore put them both out the door. Where the rain came down pit-a-pat; But out in the weather they huddled together, with never a tit or a tat. - A. M. Smith
