Since Last Thanksgiving...

- **Your heart** has beat 40,000,000 times. (*That is 109,589 times each day, 4,566 times per hour, and 75 times per minute*)
The heart pumps blood through thousands of miles of arteries every minute. The blood makes the trip throughout your body every 23 seconds. That is 3,756 trips per day.
- **Your eyelids** have blinked 4.2 million times. (*That's 11,507 times per day, 719 times each hour you were awake, and 12 times per minute.*)
- **Your lungs** took between 6,289,920 and 10,483,200 breaths depending on a rate of 12-20 breaths per minute (*at 12 bpm that's about 17,000 per day and 121,000 per week! At 20 bpm that is about 28,000 and 202,000 per week.*)

"...the God in whose hand
thy breath is..." - Daniel 5:23

"Neither is worshipped with men's hands,
as though he needed any thing, seeing **He giveth to all life, and breath,** and all things...For in him we live, and move,
and have our being; as certain also of your own poets have said, *Fe we are also his offspring.*" - Acts 17:25,28

"O give thanks unto the LORD, for he is good: for his mercy endureth for ever."
- Psalms 107:1
