By Grace

Grace is both the origin and means of our eternal salvation—by grace we are saved. It is by grace that we are justified and redeemed. Through grace we have access to God, and by grace we stand. Grace is the sustaining fuel and the driving motivation through the entirety of our Christian lives. We must grow in grace. We must be strong in grace and our speech should be seasoned with grace.

Many churches with sound doctrine have stopped growing in grace, and without growth in grace nothing else grows.

Will you allow your spiritual heart to slowly diminish and inch toward spiritual apathy, or will you allow the water of the Word and the control of God's Spirit to bring growth by grace once more?
