"Why is Christianity different from any other religion?"

In all major religions, the followers strive to rid themselves of sin through various practices. They may pray in a prescribed way, do various good works, deny themselves legitimate pleasure, follow dietary restrictions, etc.

The uniqueness of Jesus is shown in His statement, "*The Son of Man hath power on earth to forgive sins*" (Mark 2:10a).

No other religious leader has ever made this claim. Jesus Christ alone can wash away every sin anyone has ever committed, because of what he did on the cross.

By paying the penalty for our sins, He can release us from the torture of guilt. We cannot do anything in the way of religious works to wash away our sins. Forgiveness is a free gift of God! (Ephesians 2:8,9).
