

BREANNA DYE

MISSIONARY TO PAPUA NEW GUINEA

Dear Church,

Deputation is underway! I started deputation at the beginning of February, and God has been good. I have been able to present the ministry we have in PNG at local churches. It has been encouraging to see the excitement in faithful Christians who have supported my brother Justin throughout the years, and have played a big role in paving the way for me to be a part of his ministry.

I had the privilege to teach in one children's class, and 2 Sunday School classes for adults. What a joy to share my testimony and the vision for the clinic in the coming future! I hope to excite and encourage Christians to get involved in missions, and have a passion for the mission field God has placed them in right now.

I am looking forward to March and April, with mission conferences lined up and a couple of ministry opportunities to participate in. My schedule is open, and I would love to present at as many churches as I can. Would you partner with me in prayer so that my schedule will fill up and I can continue to raise support to get back to PNG?
