

BREANNA DYE

MISSIONARY TO PAPUA NEW GUINEA

July 2025

Dear Church,

With Summer officially underway, it has been a busy time!

Candidate School

In June, I had the opportunity to attend the Word for the World Baptist Mission Candidate School Conference in Chattanooga, Tennessee. This year was the 45th anniversary of WFTW! I got to meet many veteran missionaries, as well as a missionary couple attending as candidates. After meeting with the board of directors, my pastor, and my brother, I was officially accepted as a WFTW missionary.

Filipino Day

With both my pastor and another church member being from the Philippines, we host an outreach each year at our church that's a day celebrating the Philippines' Independence Day. We use this day to teach community kids about the Philippines, while also giving the gospel. This year, we had a few parents attend, and a family from the community came back to church.

North Collins Outreach

Our church in Eden has just purchased a new building down the road in North Collins. We had a churchwide canvassing day in this town to invite people to church and give them the gospel. We are so excited about what God is doing. He has already done so many miracles.

Summer Camp

The first week of July, our church took a group of teens to summer camp. One girl who stayed in our cabin got saved! It was such a blessing to spend time listening to preaching from so many preachers, and watching the teens make life-long decisions. This is the same camp I surrendered to missions at when I was a teenager.

Support and Visa

The Lord has been so good to me! I am at about 70% of my support as of this week. What a blessing it has been getting to meet so many new faces and partner with churches of like faith who are just as excited about the work in PNG. I have also raised a majority of the money needed to build my house. Please pray for the rest of my support to come in and for my visa to be approved quickly. Also, please pray for me, as there are a few people I have been witnessing to, I believe, who are very close to getting saved. Thank you to each and every one of you for the prayers, support, and encouragement!
