## MISSIONARY TO PAPUA NEW GUINEA

September 2025

Dear Church,

Thank you all so much for the prayers, encouraging letters, messages, calls, and conversations over the summer!

In August, I was blessed to get to be a part of my church's vacation bible school. There were 65 kids in attendance, and 12 professions of faith! The theme was focused on teaching the kids how math, science, history, and prophecy prove that the Bible is true. There have already been many profitable conversations with families as a result of this, and we are praying for lasting fruit.

Throughout my travels over the past few months, God has put me in many situations where my medical training has come in handy. I've witnessed multiple vehicle accidents and medical emergencies in which I was the only person available to assist. One of these was a 27-year-old young man named Michael, who flipped his motorcycle and sustained many life-threatening injuries. Praying with these individuals and their families was a way to show the love and peace of God, and seeds were planted.

The Pangia Ministry Team in PNG is holding down the fort, traveling throughout the country, and have been able to share the gospel with so many people who have accepted Christ! Please continue to keep our entire team in your prayers.

We are getting ready to ship a container overseas in the coming months. Medical equipment for the clinic, medications, ministry tools, and items for my house are some of the things we are planning on sending. Please pray this process goes smoothly, and everything is able to make it to PNG in a timely manner.

God is working in a mighty way. Thank you for following along and partnering with me. I am looking forward to what the rest of the year will bring.
