# The Mission of the Church

The mission of the Church is to save the souls of men. That is its true mission. It is the only mission of the Church. That should be its only thought. The minute that any church admits a singer that does not sing to save souls; the moment a church calls a pastor who does not preach to save souls; the moment a church elects a deacon who does not work to save souls; the moments a church gives a supper or entertainment of any kind not for the purpose of saving souls it ceases in so much to be a church and to fulfill the magnificent mission God gave it. Every concert, every church service, every preaching service, every choir service, every Lord's supper, every agency that is used in the church must have the great mission plainly before its eye. We are to save souls of dying sinners. We are here for no other purpose, and the mission of the Church being so clear, that is the only test of a real church.

~ Pastor Russell H. Conwell, D.D.
