Murphy's Lesser-Known Laws

1. Light travels faster than sound. This is why some people appear bright until you hear them speak.
 2. The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.
 3. Those who live by the sword get shot by those who don't.

The Sunday School needs your help!

Each of the nine Sunday School classes are having a two month campaign (March & April) for growth in attendance. There is a class for every age between 2 and 102. Meet in the auditorium at 10 AM each Sunday!

The strength of a church is not revealed by how many it seats, but by how many it sends.

Parking Lot Fund

We need more parking. The land is paid off. Most of the money for stone has come in. We need about \$25,000 more for asphalt.

We can stand affliction better than we can prosperity,
for in prosperity we forget God. DL Moody
