Praying for Pastor: A Thousand Strong

Dr. J Wilbur Chapman in his first pastorate in Philadelphia was visited by a layman who frankly said to him: "You are not a strong preacher. In the usual order of things, you will fail here, but a little group of laymen have agreed to gather every Sunday morning and pray for you." Dr. Chapman added: "I saw that group grow to one thousand men gathered weekly to pray for this preacher." Of course, he had great success. Almost any pastor would succeed if a group of leaders would thus back him up.

All "Active" In Church

Asked a guest speaker of a pastor, "How many members have you in your church?" "A thousand," replied the pastor.

"How many of them are active members?" was the next question. "They are all active," said the pastor. "About a hundred of them are active for the Lord. The rest are active for the Devil!"
