Preach It With Passion - Or Not At All!

What is preaching? Logic on fire! Eloquent reason! Are these contradictions? Of course they are not. Reason concerning the Truth ought to be mightily eloquent, as you see in the case of the Apostle Paul and others. It is theology on fire. And a theology which does not take fire, I maintain, is a **defective theology; or at least the man's understanding of it is defective.**

Preaching is theology coming through a man who is on fire. A true understanding and experience of the Truth must lead to this. . . . A man who can speak about these things dispassionately has no right whatsoever to be in a pulpit; and should never be allowed to enter one.

- Martyn Lloyd-Jones, *Preaching and Preachers*

Do not let past failure paralyze your present, or mortgage your future. Get right with God not and try again.

- Graham Scroggie
