*Something to Think About*  
*Before Shopping at . . .*

Thousands of Americans are boycotting The Home Depot because of it's outspoken assault on traditional marriage. For more details , visit [Boycott TheHomeDepot.com](http://BoycottTheHomeDepot.com).

The Home Depot's commitment to the homosexual agenda was summarized by its manager of corporate communications: "At the end of the day here, we're not going to send anything out that forbids our associates to be involved in these pride festivals in any way."

When asked by American Family Association to remain neutral in the battle over the homosexual agenda (including homosexual marriage), the Home Depot refused to do so. Moreover, the Home Depot encourages children's participation at these homosexual events by setting up "Kid's Workshops," exposing them to loud and boisterous homosexual activities, including adult nudity.

The Home Depot's sponsorship and participation in homosexual events is a corporate endorsement of a dangerous and unhealthy lifestyle. The fact that the Home Depot also encourages the attendance of children at these homosexual events is disturbing.

Traditional marriage is an institution of God. Homosexual behavior is spoken against in 14 books of the Bible.

## *The Bible As One*

We commonly speak of the 66 Books of the Bible from Genesis to Revelation, but in reality there is only one book – the Bible, consisting of 66 chapters. They are all written by the same author, the Holy Spirit, and have one message, redemption. There is no other book like it. Forty different writers were used, from Moses to John. Written over a period of some fifteen hundred years. From fishermen to philosophers, they never contradicted one another, but all are in perfect agreement and harmony.

## *Discovery of Tower of Babel*

From 1899 to 1917, a team of Germans worked to excavate Babylon. In the process, they unearthed the remains of the Tower of Babel. The scientists were able to calculate that it had been 295 feet high, or about as high as the Statue of Liberty.

The Queen of Sheba's visit to King Solomon with "spices, and gold in abundance, and precious stones" has often been thought a pious tale until archaeologists uncovered the ruins of Sheba in Yemen in 1951. It indicated that the kingdom's chief trade route ran through Israel. This threw new light on the Queen's visit: it was probably a high-lever business conference.

## *Victory Verses: Fantasy*

2 Corinthians 10:5

*"Casting down imaginations,  
and every high thing that exalteth  
itself against the knowledge of God,  
and bringing into captivity every  
thought to the obedience of Christ;*

Genesis 6:5

*"And GOD saw that the wickedness  
of man was great in the earth, and  
that every imagination of the  
thoughts of his heart was  
only evil continually."*

Jesus quoted Scripture  
when the devil tempted  
Him to sin. He used the  
Sword of the Spirit,  
which is the Word of God.

We should too!  
(Matthew 4:1-11;  
Ephesians 6:17)

## *An Excerpt from the Christian Gentleman's Handbook*

A Gentleman precedes a  
woman up a flight of stairs.  
A Gentleman never  
insults his inferiors or those  
who are weaker than him.
