## Amazing Science in the King James Bible

### 29. **Moral Depravity** (*Romans 1:20-32*)

The Bible warns that when mankind rejects the overwhelming evidence for a Creator, lawlessness will result. Since the theory of evolution has swept the globe, abortion, pornography, genocide, etc. have all risen sharply. Organized Bible reading and teacher led prayer were removed by the public schools (1962-63). Since then, evolution has been entrenched in the state run schools and universities.

### 30. **Vast Fossil Deposits** (*Genesis 7:4*)

When plants and animals die they decompose rapidly. Yet billions of life forms around the globe have been preserved as fossils. Geologists now know that fossils only form if there is rapid deposition of life buried away from scavengers and bacteria. This agrees exactly with what the Bible says occurred during the global Flood. It happened very suddenly, the only way fossils can form!

## John 3:17

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved."

## Victory Verses: Tattoos

*" Ye shall not make  
any cuttings in your flesh  
for the dead, nor print any marks  
upon you: I am the LORD.*

Leviticus 19:28

1 Corinthians 6:20

*" For ye are bought with a price:  
therefore glorify God in your  
body, and in your spirit,  
which are God's."*

What is your "besetting sin"?

Do you have any verses  
memorized to help overcome it?

Jesus quoted Scripture when He  
faced temptation. We should too!  
(Matthew 4:1-11; Ephesians 6:17)

## Christian Gentleman's Handbook

At a table that has been set,  
a gentleman begins with the  
fork that has been placed on  
the outside.

When he has finished his  
meal, a gentleman places his  
knife and fork crisscrossed on  
his plate. Dirty utensils are  
never placed on the table.

A gentleman does not tuck  
his napkin into his belt or  
under his chin.
