Most Famous Preacher

Harry Moorehouse, while still a young man, was conducting evangelistic services in a certain city in this country, but there was no revival both in America and in Great Britain, but in this city it was as though he were beating against a stone wall. Day and night he was on his knees searching his heart and crying out, "O God, why is there no revival?"

One day he was walking along the street, and the Holy Spirit showed him a large placard on which appeared these words: "Harry Moorehouse, the most famous of all British preachers!"

At once he said to himself, "That is why there is no revival!"

He went to the campaign committee, and said, "Brethren, now I know why there is no revival. See how you have advertised me as the greatest of this and the greatest of that! No wonder the Holy Spirit cannot work! He is grieved and quenched because you haven't magnified the Lord Jesus Christ. He's the wonderful one. I'm just a poor, simple, humble servant, preaching the glorious Gospel, and saying 'Behold the Lamb of God that taketh away the sins of the world.'" (Cf: John 1:29)

Torrey's Prescription For Revival

"I can give a prescription that will bring a revival to any church or community or any city on earth.

"First, let a few Christians (they need not be many) get thoroughly right with God themselves. This is the prime essential. If this is not done, the rest that I am to say will come to nothing.

"Second, let them bind themselves together in a prayer group to pray for a revival until God opens the heavens and comes down.

"Third, let them put themselves at the disposal of God for Him to use as He sees fit in winning others to Christ. That is all!

"This is sure to bring a revival to any church or community. I have given this prescription around the world. It has been taken by many churches and many communities, and in no instance has it ever failed; and it cannot fail!"

A Thot for Parents

When your children are trained to have the discipline to finish every job they have started even if they don't feel like it - that's character.

Teacher Tips

"A few years ago, I witnessed heroic efforts as dead and dying dolphins began to wash ashore on Virginia beaches. Volunteers committed hundreds of man-hours, thousands of dollars were raised, and a community was stirred and united by their efforts to save the dolphins. I have nothing against whales or dolphins, but I place higher value on persons. Our Sunday Schools will flourish once more when we are moved by plight of lost men and women, trapped in the icy tombs of sin, facing certain death and eternity separated from God. Our compassion for their plight will compel us to rescue them. Then the heartbeat of Sunday School - evangelism - will bring revival.

Gentlemen

by Dr. George Alquist, Jr

A gentleman always assumes the back seat when taking a chauffeured company car with his boss.

As a junior person at a firm, one always waits to be told where to sit at a meeting.
