Sermon's Influences Linger

When a local preacher died, his relatives found he had neatly tied up the messages he had delivered and placed a card on top of them with this inscription: "Where has the influence gone of all these sermons I have preached?" Underneath he had scribbled in large letters, "OVER."

On the other side this answer was found: "Where are last year's sun rays? They have gone into fruits and grain and vegetables to feed mankind. Where are last year's raindrops? Forgotten by most people, of course, but they did their refreshing work, and their influence still abides."

A Thot for Parents

“We were impulsive TV watchers. Enslaved is actually the word, so I had to eliminate it. Now we have a lot of time for the family. We do Bible study after dinner every day and play games with the kids. My wife and I have more personal time.

Teacher Tips

View your service as a ministry, not a job.

1. God called you!
2. God equipped you!
3. God's church needs you!

Gentlemen

by Dr. George Alquist, Jr

A gentleman always returns his shopping cart to the store or the parking lot corral.

A gentleman does not stand in the middle of the aisle.

A gentleman will patiently wait his turn without remarks.
