CHARLES SPURGEON ON CHILDREN:
Any man who declares children to be born perfect was never a father. Your child without evil? You without eyes, you mean!

THOMAS JEFFERSON ON THE BIBLE:
"I have always said, and always will say, that the studious perusal of the Sacred Volume will make better citizens, better fathers, and better husbands."

Contenders for our Country

SIGNERS OF THE DECLARATION OF INDEPENDENCE

Benjamin Rush

Signer #29: Benjamin Rush (1745-1813)

Pennsylvania. Age at signing: 30

Married: Julia (13 children)

Occupation: Physician

Quotes & Notes:

"The Gospel of Jesus Christ prescribes the wisest rules for just conduct in every situation of life. Happy are they who are enabled to obey them in all situations! . . . My only hope of salvation is in the infinite transcendent love of God manifested to the world by the death of His Son upon the cross. Nothing but His blood will wash away my sins. I rely exclusively upon it. Come Lord Jesus! Come quickly! And take home Thy lost but redeemed creature! I will believe and I will hope in Thy salvation! Amen, and amen!"

This attendance to religious matters was not merely superficial. As one of Dr Rush's first biographers observed: It was his usual practice to close the day by reading to his collected family a chapter in the Bible, and afterwards by addressing his Maker in prayer, devoutly acknowledging His goodness for favors received and humble imploring His continued protection and blessing. In fact, so cognizant was Dr Rush of his relationship to God that he not only recognized but also acknowledged God's mercy amidst what many would consider the mundane routines of daily life: "However trifling it may appear, I cannot help adding an acknowledgement of the good providence of God in having preserved me from falls in climbing and descending stairs and from insults in the streets in the most lonely places at all hours of the night during the course of my life."

TRAINING OUR CHILDREN. We are responsible to God to train our children in the way they should go (Proverbs 22:6), and must constantly be on guard against humanism, atheism, relativism, evolution, and any other teaching that opposes Christian world view. Dads and Moms, here's what the enemies of Christianity have said:

- "I think that the most important factor moving us toward a secular society has been the educational factor. Our schools may not teach Johnny how to read properly, but the fact that Johnny is in school until he is sixteen tends towards the elimination of religious superstition. The average American child now acquires a high school education, and militates against Adam and Eve and all other myths of alleged history. - P. Blanchard, "Three Cheers for Our Secular State," *The Humanist*
- "Education is thus a most powerful ally of humanism. What can a theistic Sunday School's meeting for an hour once a week and teaching only a fraction of the children, do to stem the tide of the five-day program of humanistic teaching?" - *Humanism: A New Religion, 1930*
- "Fundamentalist parents have no right to indoctrinate their children in their beliefs. We are preparing their children for the year 2000 and life in a global one-world society, and those children will not fit in." - *Senator Paul Hoagland, 1984*
- "Give me your four year olds, and in a generation I will build a socialist state." - *Vladimir Lenin*
