**Thots on Marriage**

- ♥ Marriage is a mosaic you build with your spouse; millions of tiny moments that create your love story.
- ♥ The best thing you can do for your marriage is to pray for your spouse every day.
- ♥ If you want something to last forever, you treat it differently. You shield it and protect it. You never abuse it or expose it to the elements. You don't make it common or ordinary. If it ever becomes tarnished, you lovingly polish it until it gleams like new. It becomes special *because you have made it so*, and it grows more beautiful and precious as time goes by.

**Ten Rules  
for a Happy Marriage**

1. Keep God at the center of your marriage.
2. Never yell at each other unless the house is on fire.
3. If one of you has to win an argument, let it be your spouse.
4. If you have to criticize, do it lovingly.
5. Never bring up mistakes of the past.
6. Neglect the mundane rather than each other.
7. Never go to sleep with an argument unsettled.
8. Compliment your partner every day.
9. When wrong, admit it and ask for forgiveness.
10. Keep the romance alive. Take dates and build memories together.
