50 Reasons to Use

Gospel Tracts (Part 5):

Tracts are an effective way to share the gospel...

41. Tracts start conversations.
42. Tracts reinforce what one has already heard about Christ.
43. Tracts get their message across when no conversation is possible.
44. Tracts can address difficult issues if you aren't an expert.
45. Tracts can communicate to a non-reader who asks someone to read it to him.
46. Tracts generally add their message to other factors from the reader's past that may eventually lead that person to salvation.
47. Tracts are a testimony – even if not fully read, one is reminded of his need of Christ.
48. Tracts can help the reader find spiritual help by contacting the church or website listed on the back.
49. Tracts can directly address certain religious beliefs, comparing them with Biblical truth.
50. Tracts can be adapted to share their message to people that you cannot otherwise visit.

Hearing Impaired Devices are available for all services. See any usher.
