What is the Book of Daniel about?

This important prophecy describes the future course of world rule from Daniel's time to the "Millennium", or the coming of Christ to reign. This period is called in the Bible the "Times of the Gentiles". Daniel describes the course and character of the Gentile rule, and then from chapter 7 on deals in detail with its effect on the Jews and Jerusalem.

Quotes for Independence Day

"May we think of freedom, not as the right to do as we please, but as the opportunity to do what is right."
 -Peter Marshall
 (Congressional Chaplain)

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same."
 - Ronald Reagan

"I think of a hero as someone who understands the degree of responsibility that comes with his freedom."
 - Bob Dylan
 (not an endorsement of his music, but a great quote! ☺)

Prophecy is the telling of history before it happens. The Bible is full of accurate prophecies. No other book can make such a claim. Its purpose is to build your faith. Consider the words of Christ:

"Now I tell you before it come, that, when it is come to pass, ye may believe that I am he." - John 13:19
