Words of Wisdom from Abraham Lincoln

"We have been the recipients of the choicest bounties of heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth, and power as no other nation has ever grown. But we have forgotten God. We have forgotten the gracious hand which preserved us in peace, multiplied, enriched, and strengthened us, and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us."
 (Proclamation of a day of National Illumination, Fasting and Prayer, 1863)

What is the Book of Luke About?

The book of Luke portrays Christ as the **Son of Man** and focuses on His **humanity**. It includes a genealogy in chapter 3 going back from Joseph (his supposed father - 3:23) to Adam. There are **26** reference to Jesus as the "Son of Man".
 As in Mark it seems to target a **Gentile** audience with many Jewish customs explained. Another focus is on the **stories of women**. There are **24** different stories of women in Luke, more than any other book in the Bible.
 Luke contains the parables on **prayer** not found in other gospels and **eight** of Christ's prayers.
