**What is the Book of 1 Thessalonians About?**

This is one of the most personal of all Paul's epistles. It is not so doctrinal or polemical as some of the others.  
 The body consists chiefly of commendations, personal reminiscences, counsels, and exhortations.  
**The central truth** which is especially emphasized, is the **future hope of the advent of Christ**. The second coming of Christ is mentioned in **all five chapters!**

Contained on the paper is a Gospel presentation, our service times, and our contact information. The goal is to get one of these door hangers to every house in Eden!

If you are planning to come, please sign up so we can have enough refreshments for everyone. Please indicate if you will need childcare, it will be available for little ones ages 0-6.

Please Silence Your Phone During Service. Thank You!

A missionary in Africa was once asked if he really liked what he was doing. His response was shocking: "Do I like this work?" he said. "No. My wife and I do not like dirt. We have reasonably refined sensibilities. We do not like crawling into vile huts through goat refuse...but is a man to do nothing for Christ he does not like? God pity him, if not. Liking or disliking has nothing to do with it. We have orders to 'Go', so we go. Love constrains us."

A one-legged school teacher from Scotland came to J. Hudson Taylor to offer himself for service to China. "With only one leg, why do you think of going as a missionary?" asked Taylor. "I do not see those with two legs going," replied George Scott. He was accepted.

**Music Theory Class**

This course will be offered in the near future on Sunday afternoons from 5:30-5:50pm before the evening service.

It will be based on a basics of music theory curriculum taught by Don McCaslin. Please sign up if you are interested so we can order books.
