How We Use Time

More important than the passing of the years is what we have done with them. Time does nothing but pass away. It is foolish to say, "Time will tell," "Time will heal," "Time will bring out possibilities in him." Time will do nothing of the sort. Time will only come and go. Time does not help a man to help himself. How we use time is what matters.

- Vere V. Loper

Hypocrites in the church? Yes, and in the lodge, and at home. Don't hunt through the church for a hypocrite. Go home and look in the glass. Hypocrites? Yes. See that you make the number one less.
