Walking with God denotes an active habit, a communion in the common movements of the day. Some bow humbly in His presence at the time of meditation, and others work themselves to draw near to God in seasons of religious excitement. But all this falls short of walking with God. Walking is a common pace, an ordinary rate of progress, and it does not seem to require great effort; but then it is a practical working pace, a rate at which one can continue on and on and make a day's journey by the time the sun is down. So walking with God means being with God always.

October is Stewardship Month! If you're not familiar with Faith Promise Missions Giving, here's how it works:

Step 1: Ask the Lord what He would have you give to missions each week.

Step 2: Write that amount on a Faith Promise Card.

Step 3: Put the right half in the offering plate, keep the left half as a reminder.

Step 4: Watch God provide!

Our Giving Goal for 2024:

70 Commitment Cards
\$350,000 for the next 12 months

Keep an eye on the projector screen in the front of the auditorium to track our progress toward our goal!

This is the last week left in this campaign to help send the story of Christ's love and salvation to the world through missionaries.

Praise the Lord for the families we met at Missions Conference going to: Nepal, UK, Scotland, Montana, Guam, and Argentina.

This is the most important work on earth. Time is running out. Thanks for being a part of this great endeavor.
