Principles of Bible Study

By Dr. Frank Charles Thompson
(Developed the Thompson Chain Reference Bible)

4.) Seek to Understand the Deep Things of God

Study the Word as a miner digs for gold or as a diver plunges into the depth of the sea for pearls.

Most great truths do not lie on the surface; they must be brought up into the light by patient toil.

The Bible Lives!

Generation follows generation—yet it lives.

Nations rise and fall—yet it lives.

Kings, dictators, presidents come and go—yet it lives.

Hated, despised, and cursed—yet it lives.

Doubted, suspected, and criticized—yet it lives.

Condemned by atheists—yet it lives.

Scoffed at by scorners—yet it lives.

Exaggerated by fanatics—yet it lives.

Misconstrued and misstated—yet it lives.

Its inspiration denied—yet it lives.
